Full job description

Licensed Electrician with Working at height's
Sydney

Our client is a highly professional solar electrical company that work on big commercial projects in the Sydney region. They are looking to expand their team with high quality electricians with working at heights who will keep their standards to the very highest level!

- Award Rates of pay
- Overtime available
- Ongoing work for the right candidate

The company

They are a nationally recognized company that produce work on projects to the highest quality. Their attention to detail and quality of service has made them a leading company in their field. They have secured several projects on city commercial projects that now need more highly skilled guys. The company provides a strong possibility for permanent employment and once in with the company they provide training of the highest quality and attractive salary packages.

The role

In the role you will be required too:

- Carry out all relevant electrician duties
- Read drawings where required and follow instruction
- Adhere to health and safety protocol
- Carry out work to a high quality

The successful applicant

To be successful in this role you will need:

- To be trade qualified and possess relevant tickets (white card etc.)
- Have your own PPE and your own tools
- You will need to be professional and have a good eye for detail whilst taking pride in your work
- Be punctual and reliable

What you'll get in return

In return you will get the opportunity to work with a fast growing company on various big projects across Sydney. The company constantly acquires new projects so there will be ongoing work or even the chance of a permanent role should you do well. You will be paid above award rates and penalties and there will be plenty of opportunities for overtime.
